

Telephone Banking Menu

Horizon Bank Telephone Banking allows you to access all aspects of the Horizon Bank experience via your landline or mobile phone. With telephone banking, you can review your Checking, Savings, and account balance information, and track your Certificate of Deposit or Individual Retirement Account. You can even transfer funds directly to another account from your phone. Simply dial toll-free at 888-904-BANK (2265)

To get started, you'll need to listen to the instructions to establish a 4-digit security code when calling in to access your accounts for the first time.
